- **Darnell Riley's mother**, Mary, found out that she has cancer. Not much is known at this time; spots were found on both lungs and her pelvis. Pray for peace as she learns more.
- **Leigh Hower's dad**, Fred, had surgery a week ago to clean out his foot wound, which resulted in the removal of a toe and other infected tissue. Pray that this helps with the heart issues as well; he was scheduled for bypass surgery Friday, August 21. Pray for stamina and encouragement for the whole family.
- **Bonnie Gordon** thanks God, at this one-year anniversary of her stroke, for great progress in walking; please pray as some lingering problems persist with double vision, balance, and feeling on her right side.
- **Ginger Butts** is recovering from a medication issue; pray for complete healing and strength. After being sick for several weeks she is doing better.
- **Tami Marek's dad**, Harry, is at Mary Free Bed in sub acute care (they were hoping for acute care). He's still quite weak.
- **Don and Susie Thomas's daughter**, Mary, has been moved to Spectrum Rehab on Kalamazoo Ave (new facility). She hopes to gain enough strength to move home by the end of August. She is not allowed any visitors at this time.
- **Angela and Erik Wisner** welcomed Abigail Jolene Mae Wisner to their family July 20! She was 19.5 in, 6.14 lbs and everyone is doing well. Congratulations! Her two brothers are enjoying her too.
- **Billie Riley** was in a car accident and her jaw was broken; pray for healing and for treatment for the four teeth that were affected. She also has a broken leg and arm bone. No surgery at this time; please pray for total healing.
- Pray for the **persecuted church** and **believers who are scattered and destitute**, as well as the many agencies ministering to them.
