- **Tintin Aye**, a former Berean member, recently completed the requirements and obtained U.S. citizenship! Due to Covid she participated in a small outdoor ceremony in Salt Lake City, Utah. Now she plans to work on her GED. She has good memories of her time and friends in Michigan, and with temperatures reaching 114 this summer, she is ready to move back. (She must have forgotten the cold and snow of winter!) Thet, her husband, is planning on working towards citizenship next year as he works on language proficiency.
- **Don and Susie Thomas's daughter**, Mary, hopes to be released this coming week to go home, after months in the hospital and rehab due to a Legionella infection in her lungs. Pray that she would continue to gain strength and be encouraged in the progress.
- **Linda Paasche** had tests recently that show NO CANCER at this time! Praise God for this answer to prayer. She will have one last cycle of radiation therapy in September, every weekday for four weeks.
- **Leigh Hower's dad**, Fred, had bypass surgery Tuesday, August 25. He has had a number of health issues this summer; pray that he heals well from this surgery and get well soon. Pray for stamina and encouragement for the whole family.
- **Judy Wasnich's** 22-yr-old great nephew passed away in a car accident on Wednesday, August 19. Please pray for his dad, Jeff; his grandparents, Barb and Bob; and his uncle, Rob.
- **Tami Marek's dad**, Harry, was released from rehab to go home to heal from recent health challenges. He's still quite weak. Tami's brother lives close by so is helping a lot.
- **Darnell Riley's mother**, Mary, found out that she has cancer. Not much is known at this time; spots were found on both lungs and her pelvis. Pray for peace as she learns more.
- **Ginger Butts** is recovering from a medication issue; pray for complete healing and strength. After being sick for several weeks she is doing better.
- **Billie Riley** was in a car accident in June and broke her jaw, her leg, and her arm. No surgery at this time; please pray for total healing and for encouragement. Because of the broken jaw she is unable to eat solid food.

- Pray for the **persecuted church** and **believers who are scattered and destitute**, as well as the many agencies ministering to them.
