

# Prayer Bulletin

## August 9, 2020

Find more resources and info at our website [www.bereanbr.org](http://www.bereanbr.org)

- **Don and Susie Thomas's daughter**, Mary, has been moved to Spectrum Rehab on Kalamazoo Ave (new facility). She hopes to gain enough strength to move home by the end of August. She is not allowed any visitors at this time.
- **Leigh Hower's dad**, Fred, continues to have health issues, and he had vein surgery last week to see if that helps his circulation. Pray for comfort for him and Leigh's mother, and for stamina and encouragement as Leigh helps them both.
- **Angela and Erik Wisner** welcomed Abigail Jolene Mae Wisner to their family July 20! She was 19.5 in, 6.14 lbs and everyone is doing well. Congratulations! Her two brothers are enjoying her too.
- **Ron Wasnich** had a checkup that showed his prostate cancer is a very slow-growing one. Periodic checkups are all that is needed at this point, and the prognosis is good.
- **Tami Marek's dad** (Harry) is in ICU with pneumonia. Pray for strength as he recovers from the illness and a fall that happened the day before he was hospitalized. He is very weak.
- **Yvonne Qualls** was able to come home from rehab and will continue with in-home nursing and therapy. She thanks everyone for their prayers and cards.
- **Gene Ahrens** had surgery on July 23 to remove his cancerous left eye. Pray for healing, life adjustments, and targeted therapy in other melanoma sites that have been discovered in his body.
- **Gary Courtright** had a recent health check that showed that the bladder is normal but there may be some cancer in the kidney area. He continues to feel good.
- **Dan Fry** is home with hospice care. His health is declining from Parkinson's. Pray for strength for each day.
- **Billie Riley** was in a car accident and her jaw was broken; pray for healing and for treatment for the four teeth that were affected. Her leg was also injured; she is currently in a boot to stabilize it. No surgery at this time; please pray that it heals thoroughly.
- **Michelle Wolf** underwent a second brain surgery July 6. She has a long recovery ahead but is doing better each day, and appreciates all of the prayers and help.

- Pray for all of our friends and family working in **healthcare** right now, for health and safety and calm hearts.
- Pray for the **persecuted church** and **believers who are scattered and destitute**, as well as the many agencies ministering to them.

**Seeking employment:** Brian Kaye (McJones's son-in-law)

### Families who have lost loved ones in the past year
